**REQUEST FOR RECONSIDERATION OF THE IDS**

Sir:

In response to the Notice of Allowability of December 29, 2005, Applicants hereby request reconsideration of the IDS filed with RCE on September 8, 2005. Applicants note that a Petition was filed on August 5, 2005 in application 10/184,096 to enter this IDS as well as the copies of the references filed with it in a number of cases including the present application. Because the IDS cites numerous foreign references, Applicants filed the Petition, a copy of which is attached hereto, to reduce the burden on the Patent Office and the Examiner. Applicants respectfully request the Examiner to coordinate with the Petitions branch to obtain those copies, or in the alternative, to obtain copies of the foreign references from the 10/184,096 application in which the IDS and copies of the references were originally filed.

Applicants believe the foregoing remarks and amendments place the application in condition for allowance and early, favorable action is respectfully solicited.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at (202) 496-7500 to discuss the steps necessary for placing the application in condition for allowance. All correspondence should continue to be sent to the below-listed address.

If these papers are not considered timely filed by the Patent and Trademark Office, then a petition is hereby made under 37 C.F.R. §1.136, and any additional fees required under 37 C.F.R. §1.136 for any necessary extension of time, or any other fees required to complete the filing of this response, may be charged to Deposit Account No. 50-0911. Please credit any overpayment to deposit Account No. 50-0911. A duplicate copy of this sheet is enclosed.

Dated: March 27, 2006

Respectfully submitted,

By
